Re: ***In re Volkswagen “Clean Diesel” Marketing, Sales Practices and Products Liability Litigation, MDL No. 2672***

Dear Judge Breyer:

Pursuant to Pretrial Order No. 2, I respectfully submit this letter application for a steering committee position in the above-referenced matter. A listing of my relevant MDL and JCCP appointments is contained in my CV, which is attached hereto as Appendix A.

I am a founding partner of Skikos, Crawford, Skikos & Joseph, a San Francisco-based law firm specializing in consumer remedy and product liability claims. My firm has extensive experience in both MDL and state coordinated proceedings, and has served in a variety of roles, including as lead counsel, liaison counsel, members of steering committees, members of executive committees and on a multitude of sub-committees. We have also represented class members in both class action and bankruptcy settings, and have served in an official capacity on committees related thereto. Finally, my firm and I have played a significant role in working with courts, defense counsel and plaintiffs' counsel to create, implement and administer the resolution of numerous mass tort MDL and/or JCCP litigations, with claimants often numbering in the thousands or tens of thousands.

(1) Pertinent experience in this type of litigation.

Focusing on just San Francisco and just over the last three years, this firm has been in a key leadership position in each of the three mass tort JCCP's and national litigations. I presently serve as Co-Lead Counsel in the *In Re: DePuy Orthopedics Inc ASR Hip Implant Prods. Multidistrict Litigation, MDL No. 2197 (N.D. Ohio)*. I also serve on the Plaintiffs' Steering Committee in the California Coordinated Proceeding *DePuy ASR Hip System Cases*, JCCP No. 4649. The cooperation between the MDL and the various independent jurisdictions and, ultimately, between the parties to a contentious litigation involving tens of thousands of claimants led to two successful national settlement programs.

I serve as Co-Lead Counsel and Plaintiffs' Liaison Counsel in the California Coordinated Proceeding *Reglan/Metoclopramide Cases* Litigation, JCCP No. 4631. The plaintiffs have successfully resolved a portion of that litigation and the national settlement programs are being run out of the San Francisco JCCP. The litigation involves thousands of claimants and numerous defendants.

I served on the Plaintiffs' Executive Committee and Plaintiffs' Steering Committee in the *In re: Gadolinium Contrast Dyes Products Liability Litigation*, MDL No. 1909 (N.D. Ohio). I also served as Liaison Counsel in the California Coordinated Proceeding *Gadolinium Medical Cases*, JCCP No. 4546. This litigation lasted several years, involving four different defendant manufacturers, and over a thousand plaintiffs nationally. This litigation has successfully resolved and is closed.

(2) Contact information for judges presiding over the matters referenced in item (1).

(4) Willingness and ability to work cooperatively with other plaintiffs' counsel and defense counsel.

My firm and I have worked cooperatively and successfully with courts, plaintiffs' counsel and defense counsel on numerous mass tort MDL and/or JCCP litigations, often involving multiple defendants and thousands, and sometimes tens of thousands, of claimants. We are willing and able to assist in the prosecution of this matter with this same high level of cooperation and professionalism.

(5) Access to resources to prosecute this litigation in a timely manner.

My firm has, and is able to devote, significant resources, in terms of both personnel and funding, to assist in the prosecution of this matter in a timely and efficient manner.

(6) Willingness to serve as lead counsel, a member of a steering committee, or both.

I am willing to serve as a member of a steering committee.

(7) The particular category of plaintiffs to be represented.

I am willing to serve as a member of a steering committee for all plaintiffs, or for any of the subcategories of claimants (*i.e.*, vehicle owners, vehicle lessees and/or car dealerships).

(8) Additional qualifications to consider.

In the last five years, San Francisco has been a center for three national litigations, each of which involved significant litigation, cooperation and coordination with multiple independent jurisdictions, courts, hundreds of plaintiffs' law firms, thousands of claimants, and all of which have or had successful national settlement programs. My firm and I have played significant role in each of these three litigations, and in fact, has been lead counsel in two of them.

Respectfully submitted,

/s/ Steven J. Skikos
